3, Jalan Waras 3, Taman Connaught, Cheras, 56000 Kuala Lumpur, Malaysia.

20 October 2017

Dear Sangyeop Shin,

With this letter, I would like to invite you to attend the **8th Kuala Lumpur Experimental Film, Video and Music Festival (KLEX 2017)**. The festival will take place from 24-26 November 2017. It consists of a series of events including film screenings, music & audio-visual performances, artists' talks and a KAFE forum. The festival venues are Checkmate Creative and RAW Art Space.

KLEX is an independent, grassroots artists-run international festival of experimental film, video art and music founded in Malaysia in 2010. KLEX aims to serve as a platform to introduce contemporary experimental cinema and music from the region and worldwide to the Malaysian audience, as well as to introduce works from South East Asia to other parts of the world, to cultivate understanding, learning, friendship and exchange among local, regional and international experimental art communities. With the dedication and enthusiasm of its volunteer committee, KLEX has been running for 8th consecutive year.

This year, our festival theme is "CROSSING OVER". The festival will feature 3 KLEX screening programmes selected from the international open call, and 4 guest screening programmes from Germany, Japan, Korea and Singapore. For the music & audio-visual programme, there will be 22 local and international experimental and improvised musicians and artists participating this year.

As an educator, researcher and practicing artist from a different cultural background, your participation in KLEX 2017 will no doubt bring great inspiration to the Malaysian audience. We'd also like to provide a platform for you to connect and exchange with other aspiring artists in the scene from different parts of the world. We think that this initial effort will bring more collaborative opportunities between you and KLEX in the future.

We are looking forward to meet you at KLEX 2017!

Yours truly,

KOK Siew-Wai
KLEX festival director/curator
